On November 8, 2012 Heidi Hecker, an Elgin graduate and Green Camp native, was killed by a drunk driver leaving her little girl Peyton to grow up without a mother. Heidi's case is a special one in that she too lost her mother to a drunk driver on Christmas Eve in 2000. Through this golf outing we hope to raise awareness of the collateral damage drunk driving causes in our families and our community. Please join us in celebrating Heidi's life and love that continues to surround her daughter even in her absence!

Proceeds go to a college fund for Peyton
